

DO MORE WITH DIGITAL

Bookshelf® is more than just an eReader—it's a personalized digital learning experience that allows you to do more than you can with print. And with all your titles in one place along with interactive study tools, it also helps keep your backpack lighter!

What are your fellow students saying* about digital?

68%

agree they would get better grades if they had access to their materials before classes began

86%

agree they would get better grades with interactive, high-quality digital textbooks

91%

have used devices (smartphones, laptops, tablets, etc.) to read a digital textbook
